

MAHATMA GANDHI INSTITUTE

NOTICE

EXPRESSION OF INTEREST

The **Mahatma Gandhi Institute (MGI)** hereby invites companies/firms and individuals to express their interest for:

Consultancy services for an Aquaponics Project at Gandhian Basic School, Moka

Companies/Firms/Applicants or applicants representatives who would work on the project should have:

1. A degree in Aquaculture/Fisheries or equivalent qualification acceptable to the MGI.
2. At least 2 years' experience in undertaking Aquaculture/Aquaponic project including layout of ponds/tanks designs/construction.

Note: Applicants not possessing qualification at 1, but with long years of experience in the field of Aquaculture/Fisheries may also be considered.

The Consultant shall be responsible to:

- Prepare a project write up including ponds/tanks, design, piping system, construction methodology, work plan, implementation schedule, outcome of the project.
- Assess site of the project and prepare scope of works, specifications and drawings as required to be included in the bid document.
- Undertake Project Management and Supervision of works

Note: The proposed site dimension is appropriately 6m x 12m.

For further information, please visit www.mgirti.org

Applications should reach the **Director General (MGI & RTI)**, SMAS Building, Mahatma Gandhi Institute, Moka by **15.00 hrs on Wednesday 05 July 2017**. Consultancy Services for an Aquaponics Project at GBS, Moka should be clearly marked on the top left hand corner of the envelope.

The MGI has no contractual obligation towards any of the applicants. This exercise shall not entitle applicants to become exclusive consultants of MGI.

The MGI reserves the right not to proceed with any award as a result of this advertisement.

1) Scope of Service of the Consultant shall be:

1. To assess the site for the project and prepare scope of works, specifications and drawings as required to be included in the bid document.
2. Vet the bidding document
3. Attend pre-bid meeting and carry out site visit with potential bidders.
4. Carry out Technical Evaluation of the bids received
5. Project Management and Supervision of works during the implementation of the project.
6. Certifying claims for payment.
7. Handing over of site.

2) Note: The Maintenance Officer of the MGI will prepare specifications and supervise any structural works (if required).
